Bennie Chu

Dear Bennie,

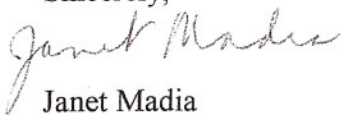

It is my pleasure, as Interim Dean of the Honors College, to inform you that you have been awarded University Honors. University Honors represents the highest academic distinction received by graduates of the University of Illinois at Chicago, including only those whose cumulative grade point average places them in the top three percent of the graduating class.

I know that the Chancellor, deans, and faculty join me in congratulating you on your fine academic achievement. I do hope that you will be at commencement on May 5th to receive the congratulations of the entire campus community. Those students awarded University Honors wear a gold cord over the shoulder of their gowns at Commencement to denote their status.

If you plan to attend, please stop by our office to pick up your gold cord. If this is not convenient please look for Joey Volpe before the Commencement Ceremony. She will have cords to distribute to you, and will be located in the parking garage adjacent to the Pavilion. Please call Joey Volpe, at 312-413-2260, if you have questions.

Please accept my sincere wishes for the future.

Sincerely,

Janet Madia
Interim Dean
